Frequently Asked Questions:

1. Are samples recommended with the quote or if we called to meet with you?

You don't need samples with the original proposal but samples are recommended if you get contacted to come and meet with us. Your samples do not have to have our logo on them. Samples from other associations are fine.

2. Is there an opportunity to see the rep jerseys to see what type of crests, etc... are on the jersey?

I have samples of jersey's and I can send you photos of if you'd like.

3. Are you looking at offering the same apparel you've used in the past or do you want new items?

Yes, but we are always interested in looking at new items and listening to new suggestions.

4. Is art work provided so we can have crests, embroidery, etc... done with our samples?

Contact me if you would like a me to send you a copy of our logo in .eps format.

5. Can you let me know the approximate number of players per team and the number of divisions.

U9 House League - 4 teams ~ 15 players each

U11 - U18 Local League - 9 to 11 teams ~ 15 to 17 players each

Select - ~ 4 teams ~16 players each

Minor Development - 2 teams ~18 players each

6. Will all players be receiving new jerseys each season?

Houseleague - YES

Local League - YES

Select - Varies

Minor Development - Varies

EGMHA doesn't replace jerseys every year for its competitive teams. Players/families are responsible for the costs of a jersey so we keep the overall price of hockey down and avoid ordering unnecessary uniforms each year.

7. Will you be changing the look of the jersey or the logo in the near future?

At this time we are not looking at changing the look of our logo but are open to new jersey ideas in our colours (navy/red/white and white/navy/red)
