

2015/2016 Rep Team Tryouts

All players must be registered with EGMHA in order to attend tryouts. All players interested in playing representative hockey **MUST** attend A team tryouts.

Similar to past years EGMHA is subject OMHA rules around Non-resident players (NRPs) for Minor Pee wee (born in 2003) and older:

- Players in 'A' centres may tryout for the AA centre "nearest his residence", as defined by the OMHA.
- Players in AA/AE centres (Georgina/Stouffville) that do not make a AA team are allowed to tryout for the A centre "nearest his residence".
- EGMHA players wanting to tryout in another centre as an NRP player require an NRP passport. Please contact yvrep@egmha.com if you require a passport
- Non-EGMHA players wanting to tryout require an NRP passport from their home centre and are not required to register with EGMHA in advance of tryouts. We encourage players from other centres to contact the coach of their age group in advance so they are aware of players attending tryouts. Contact information is on our website.
- We have done our best to minimize overlap with tryouts at other centres but there may still be some unavoidable conflicts.

Fees for tryouts will be as follows:

Novice to Pee wee = \$10.00 per tryout

Minor Bantam and above = \$15.00

If a player does not attend one or more tryouts but then attends a subsequent tryout, the fee for the missed tryouts as well as the attended tryout must be paid. Ex. if a Minor Midget player misses tryouts 1 & 2, they will be required to pay \$45 to attend tryout # 3. NO EXCEPTIONS.

Details on tryouts for AE teams will be communicated in early May.
